Please note any information that you think would be helpful for the coaches to know about your swimmer:

Each swimmer who joins the Lake Jeanette Lightning Swim Team is an important and valued member of the Team! As with any sport, the team as a whole is made stronger when all of its members participate in practices and all meets including the City Swim Meet.

City Meet is scheduled for Thursday, July 5 - Saturday, July 7 at the Greensboro Aquatic Center.

Please mark your calendars and plan for your swimmer(s) to attend this exciting and memorable moment! This will be the **FIRST** City Meet held in our new aquatic center, what a special moment for our swimmers!

We realize that the summer months are filled with vacation and other events that might conflict with a dual meet and/or the City Meet, so please list below any dates that you know your swimmer will be unable to swim.

If something arises during the season that prohibits your swimmer from being able to swim in a meet, please notify Kevin Thornton, Swim Team Director as soon as possible so he does not enter your swimmer in that particular meet.
